SUBJECT.

Repairs to the Vyasarayaswami Matt building at Chitaldrug.

Memo.

The branch Vyasaraya Matt at Chitaldrug receives a Separate Muzrai Ready Money Grant of Rs 17-7-0 a year. The Deputy Commissioner re-ports that the Matt building at Chitaldrug is in a dilapidated condition and proposes that the same may be repaired out of the Matt's funds at the disposal of the Muzrai Department. An estimate for Rs 1400-0-0 has been submitted for Sanction of Government.

2 For reasons explained in the orders of Government No. 190-1 Muz 27 57-92 dated 27 Augus

1892 and No. 789 / Mudra 57-92 dated 31st January 1896 the annual Cash allowance of Rs 3777-12-0 payable to the Head Quarter Matt at Sosale, from the D. Narasipura Taluk has been held under attachment since July 1893 and the total amount now available in the Muzrai Department comes up to Rs 11,933-4-0

3 In this office note dated 17th July 1895, I have already brought to the notice of the Government that the Matt's building at Sosale was in an extremely wretched condition and the Swami has failed to take any action to-wards its repairs. The Matt's building at Sree-rangapatam is in an

an equally neglected condition.
I would now therefore
propose that the necessary
repairs to these buildings
at Gosalé and Sreerangá-
-patam be carried out by
the Muzrai Department.
out of the Matts allowance
held under attachment,
leaving the repairs of the
Matt building at Chitaldrug
to be attended to subsequently
if sufficient funds remain
for the purpose. I beg to
submit that there cannot
be better purposes for which
the Matts funds now at the
hands of Government may
be utilized than the repairs
of the Matt premises, whose
proper upKeep forms the
main object of the State
Endowment.

4 For the past 2 years the Swami of the Matt has been away on tour in the Madras Presidency; he is now, I am told, on his return journey to Mysore I think that ere the repairs of the Matt buildings at Sosalé and Sreerangapatam are taken up, it may be advisable to write to the Swami on the subject and if possible to obtain his consent

4-6-96

Repairs to Matt bldgs at Sosalé & Seringapatam should be undertaken from the funds at present at disposal. If so the question of meanwhile the Swami may be asked to state cases which he desires to be removed (where this exists) to permit of the repairs being carried out early.
